## NOTICE

Lehi City is requesting a permit renewal for the operation of the Lehi Class IVb Landfill located approximately 2300 North 300 West in Lehi, Utah County. The Lehi Class IVb Landfill may accept only construction/demolition waste, yard waste, inert waste, and by meeting certain conditions, waste tires generated during normal operations of the City. Waste from private citizens may not be accepted. The permit application has been reviewed by the Utah Division of Solid and Hazardous Waste and a draft permit has been prepared. The *Utah Solid and Hazardous Waste Act* provides for a public comment period to receive comments on the application and the draft permit prior to final action by the Executive Secretary of the Utah Solid and Hazardous Waste Control Board.

The public comment period for the application and draft permit will commence on February 18, 2004 and end on March 19, 2004. A public hearing may be held if the hearing is requested within 15 days of the publication of this notice and otherwise meets the requirements of Utah Administrative Code R315-311-3(2).

The application and draft permit is available for public review on the internet at: <http://www.hazardouswaste.utah.gov/hpc-1.htm> or as hard copies during normal business hours at the following locations.
